INTRODUCTION TO THE FIRM

Seam Connection started in January, 2006 the firm to set up a manufacturing unit and by the grace of God, we achieved our target by setting a complete manufacturing unit which has the capacity to produce the whole range of Knitted & Woven garments.

Our objective is "Development of long-term relationships with clients through timely shipment of quality merchandise."

We at "**Seam Connection**" are well aware of the intricacies of garment manufacturing and therefore put a lot of emphasis on "FIRST TIME RIGHT" Quality philosophy. To ensure that a good quality product goes into every hand we have introduced check and balances quality system at every stage, from cutting to final inspection of goods.
